The Amherst Town Band is YOUR community concert band with amateur musicians from Amherst, Milford, Mt.Vernon, Wilton and many other towns in this area. The band has participated in area parades, concerts and celebrations, growing in size and ability along the way. A memorable event for us all was the privilege of participating in the 1994 Celebration of Milford's Bicentennial. Many band families opened up their homes to host the musicians of the Milford Haven Wales Band

The Amherst Town Band has recognized the value of this continuing international friendship by accepting an invitation to journey to Wales in July of 1998 to be hosted by and perform with the Milford Haven Band during their annual Carnival Week. This is going to require the support of you, our audience, by attendance at our concerts and other community fundraising activities.

PLEASE support the advertisers in this Concert Program as they have recognized the value of supporting our once in a lifetime endeavor. PLEASE be a Concert Program Donor and have your name listed and your generosity recognized by our neighbors. And finally, PLEASE continue to enjoy our performances as much as we enjoy bringing them to you.....THANKS!
