The Amherst Town Band is an all volunteer community band, with membership open to all neighboring Cities and Towns. The band performs in Amherst, New Hampshire and the surrounding Souhegan Valley area.

The band was formed in 1986, by members of a band organized for an Amherst PTA Play. Mrs. Jean Butler directs the band and was instrumental in its founding. In 1998 the band was hosted in Wales by the Milford Haven Town Band.

The band includes musicians of all ages and is dedicated to entertaining the community with great music. Members are all volunteer and receive no compensation except the fun and challenge of playing a musical instrument.

The band normally plays several outdoor concerts during the summer, in addition to fall, winter and spring indoor concerts. Typical music includes Sousa marches, big band sounds, holiday favorites, movie tunes and contemporary popular arrangements for the band.

The band rehearses on Tuesday nights at Souhegan High School and new members are encouraged to attend. Members represent a number of local communities as well as several from Massachusetts.

There are currently 62 members in the band including adults, college, high school and grade school students.
